Maya **The Bee 2** **THE HONEY GAMES**

A STUDY GUIDE AND ACTIVITY BOOK

The fantastically funny and family-friendly character, beloved the world over for generations, is back with a brand-new film!

When a tribute announcement demanding half the hive's honey threatens the very survival of the hive, Maya and her sidekick Willy defy the queen's orders and confront the Empress. The Empress invites them to participate in the Honey Games, however if they lose she will take all of the summer honey. Maya and Willy's teammates are neither enthusiastic nor athletic, but Maya remains positive and exclaims that "every bug has a talent!" While securing her hive's future and gaining new friends, Maya learns about teamwork and accountability.
